DROP OFF PROCEDURE
(for existing consignors)

The following procedure is our policy for any items dropped off at Secondi for consignment. Please read the agreement carefully.

Your signature below indicates your understanding and compliance.

Secondi thanks you for consigning with us today!

I understand that any and all items which Secondi have not accepted for consignment will automatically be donated to charity. This means that I will not be able to retrieve these items and nothing will be returned to me once I have dropped them off. I give Secondi permission to price all items at their discretion, as they see fit. A list of any and all items accepted and listed will be emailed to me at the email address below. I may request a tax deduction form from Secondi after the end of the year.
